FROM THE DESK OF THE PRESIDENT

Dear 300 Club members:

As I finish my term as club president, I'm reflective about the great people with whom I've served as fellow volunteers for your club. All of the members of the Club's Board of Directors and your officers have been dedicated to maintaining and improving the facilities and programs. I'd like to particularly thank those officers and board members who have finished their service this year: Susana Picado, Pam Cenzer, Brenda Chalfin, John Bennett, and Trish Markey.

We leave a strong set of officers and board member for the new year welcoming Del Bottcher as President, Bruce Rogers as treasurer, and new board members: Christian Newman, Ben Dunn, Priscilla Milliman and Tim White.

I ask you to continue to support your officers, members, and committees when called upon to do your part for our Club.

Even though you voted to allow a cell tower lease on the west side of our property the vote was 68 for and 41 against, its permitting is not, at all, a sure thing. The board is working on negotiating a contract with the tower company.

The new board will continue to struggle with bringing in sufficient members to keep our dues low.

Please continue to ask your friends and neighbors to consider joining the 300 Club.

I also encourage you to continue to provide your input of ideas, your volunteer time, and your monetary contributions to our capital fund - all of which are important to sustain the Club.

Sincerely,

Tim Vinson

Note from the Del Bottcher - Incoming President

As incoming president I look forward to this coming year as an opportunity for me to give back to the 300 Club that has given me such enjoyment over the years. My goal is simply to help keep the 300 Club as the best place in Gainesville to play tennis, swim, and workout. To do so we'll all need to work together to keep our fiscal house in order while maintaining excellent facilities and developing exciting fun programs for the young and old. As you know, membership recruitment needs to be our primary focus. I will be asking for your help throughout year for ideas to improve our club and for your participation in club activities, such as serving on committees, supporting tennis/swim/social events, membership recruitment, and bringing yourself and tools to a few workdays. As a member owned club, it is up to each us to make sure the club remains the jewel that it has always been. Email or call me anytime at dbottcher@swet.com or 281-2876.

300 CLUB POOL NEWS

To allow those who want to swim after work enough time, the pool will remain open to members until 7 pm, Monday – Friday starting in January. We feel this will accommodate more members and also make it easier to remember when the pool is open. Also, we are discontinuing our 6:45 am opening in the morning on the weekdays and will revert back to the normal 7 am – 9 am lap swim times, Monday - Friday. We will also open an hour later, at 9 am instead of 8 am, on Saturday and Sunday. These schedule changes will allow us to conserve more energy during the colder months. Please see winter pool hours below.

Meegan Wilson, Aquatic Director

TENNIS NEWS

Lots of great things are going on around your club. We held our 1st annual Toys for Tots Round Robin on December 3rd. 32 members participated in a fun round robin. The entry fee to play in the event was a toy for a boy or a girl to be donated to needy area children. We collected many toys for this needed effort. We also had a wonderful exhibition between Alex LaCroix, University of Florida's all-time wins leader and Spencer Newman. Alex is currently on the ATP tour and ranked 750 in the world. Spencer is a UF Sophomore and was the #1 ranked Florida junior in every division coming up to the college level. They played a great set of tennis for all of the participants. Thank you all for playing for the kids.

USTA LEAGUES!

We have four teams just finishing up play in the current USTA season. Congratulations to Tim White and his 7.5 senior team for winning the local league and moving on the sectional championship in Daytona.

Important Dates: Initial Team rosters are due by December 30th for the upcoming senior adult and senior adult Mixed leagues. The season begins on January 6th and runs until March 11th.

PRO SHOP NEWS

The Tennis Pro Shop is up and running and we can help you with your holiday purchases. Apparel is 30% off for the holidays. When is the last time you had your racquet restrung? The general rule is to string your racquet as many times a year as you play during the week. You can stop in the shop and I can test your tension and let you know if it's time to restring. It really makes a big difference to have strings at the right tension. Look for logo t-shirts and hats coming your way soon in the pro shop.

The 300 CLUB MEN'S AND WOMEN'S DOUBLES LADDER

The 300 Club Men's and Women's Doubles Ladder has begun for the winter season. Matches can be played from November 21st - January 21st. The men have 16 teams competing and I am hopeful that the women will join in! Please contact me via e-mail or stop in the shop for more information.

Congratulations to Jerry Black who won the Men's Singles Fall season ladder and tournament. You can go to the Global Tennis Network Website <http://www.globaltennisnetwork.com/tennis-ladders> and sign up.
